## SHOP WITH A COP

This year, Falls Officers will be joining Middletown Township's Police Department with their annual Shop with a Cop program. Unlike past years, most applications for needy families have come from Falls Township residents. We are recruiting volunteers as well as donations to help with this program.

*Saturday  
December 9, 2023*

This year we are joining Middletown Township Police Department with their 8th Annual Shop with a Cop program. Along with other surrounding law enforcement officers, we will be paired with children to provide them with gifts for family, friends and themselves, in hopes of bringing a more joyful holiday season. These children are faced with life challenges such as unemployment, homelessness, military deployment, economic shortcomings and other hardships.

This program is only possible because of the generous donations from our own communities, private sponsors, local businesses and individuals. Please see the attached donation form to make a donation.

As always, we appreciate all the help we can get!

*As we get donations from the community, we plan to thank them via Facebook to promote their business!*

*Check out our post on Facebook!*

# Adopt A COP

Our Adopt a Cop program is going great! Adopted Officer McCreary joined Penn Valley Elementary School on their annual Turkey Bowl.
