ITEM #4: EARTH DAY 2023

Saturday, April 29, 11am-2pm, Core Creek Park

We had a booth at Core Creek Park.

We gave away Tomatoes and Peppers from Fairless Hills Garden Center and Cauliflower, basil, peppers and tomatoes from Sherwood Seeds.

Jeannine supplied a second table and a pop-up tent. The EAC banner was hung on the back of the tent.

We also gave away more of the recycled paper pencils (we still have most of the original order).

Jeannine printed some information about recycling (which was mounted it on cardboard and wrapped it in plastic wrap). This information was hung at the front of the tent. These held up well and could be reused next year. A couple of people used the QR code to access the WM resources that were on display.

We passed the EAC banner onto Jeannine, along with his box of supplies.

ITEM #5: IDEAS FOR NEWSLETTERS

- For Spring/Summer 2024:

ITEM #6: MS4 CONSIDERATIONS

The council unanimously agreed to remove this item from the agenda.

ITEM #7: OLD/NEW BUSINESS

Old Business

- Jeannine found a 3rd party solution that may share posts from Facebook to Instagram for \$5/month. Matt approved this expense. Jeannine will follow up.

- Future meetings may be in the Social Security Building
- Jeannine reached out to Paul Roden in the LMT EAC regarding the ease and success of their polystyrene recycling event. Rather than creating a similar event in Falls, we will try sharing the event in LMT on Facebook

New Business

- Preliminary work has begun on the Vermillion Hills Bridge project. It will go to bid in June

Next meeting: Thursday, June 8, at 7pm will be cancelled. Tentatively July 13 at 7pm, location TBD
