A NOTE FOR RETIRED AND/OR SENIOR CITIZENS

If you are retired and are no longer receiving a salary, wages or income from a business, you may not owe an earned income tax. Social Security payments, payments from qualified pension plans, interest and/or dividends accrued from bank accounts and/or investments are not subject to local earned income tax. If you received an Annual Local Earned Income Tax Return, please check the "retired" box on the front of the form and return it to your tax collector. If you still receive wages from a part-time employer or income from a business, you will need to file a return and pay the local earned income tax.
